Litter

If possible please take all your litter **back down the mountain with you**. Any remaining litter should be separated into flammable and non-flammable material and placed in the appropriate containers opposite where the pickel holders are taken care of. Rubbish bags that are full are to be deposited in the container below the hut. Use the path in the direction of the WC. Spare rubbish bags can be found under the cupboard.

Toilet facilities

The WC is located approximately 20 metres, northwest, below the hut. Please do not relieve yourself in the vicinity of the hut.

Water

Water can be found 30 metres south of the rock face, in the rain collector or on the glacier (20 minutes).
